

# Interactive Notebook Setup

- Write your name and class period in permanent marker on the front of your notebook and at the top of the inside cover
- Cut your sheets of cardstock in half. Each teammate gets a half.

# Interactive Notebook Setup

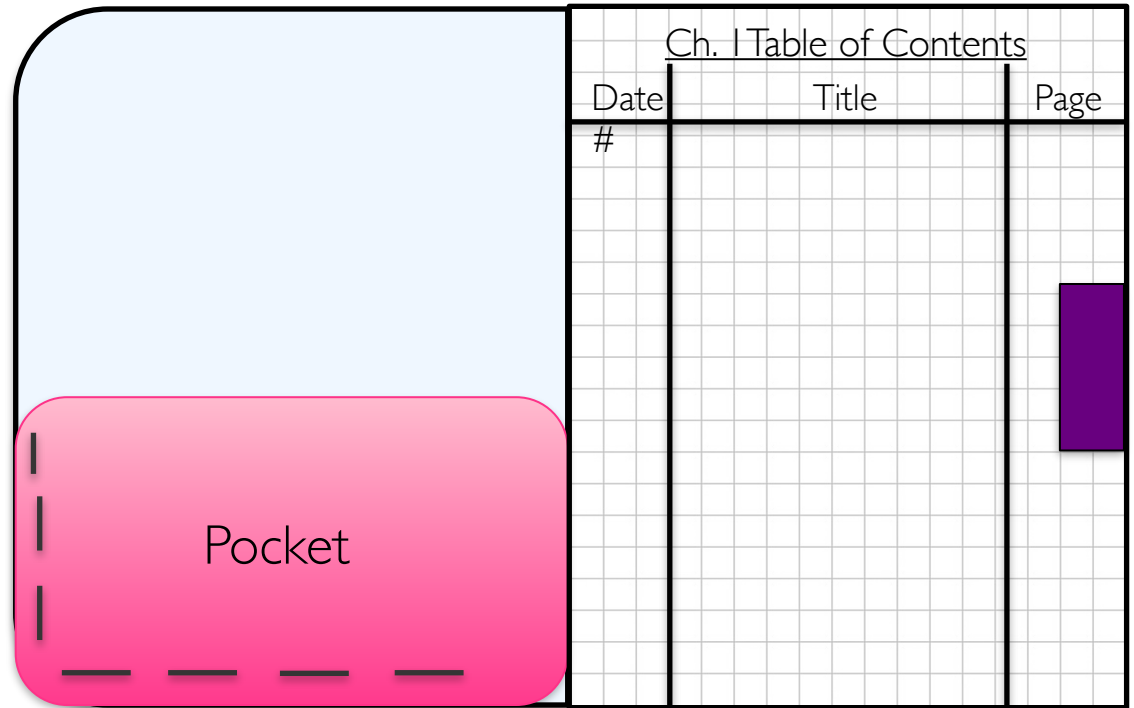

- Staple your sheet of cardstock to the inside cover to make a pocket.
- *You don't need to staple the right side.*

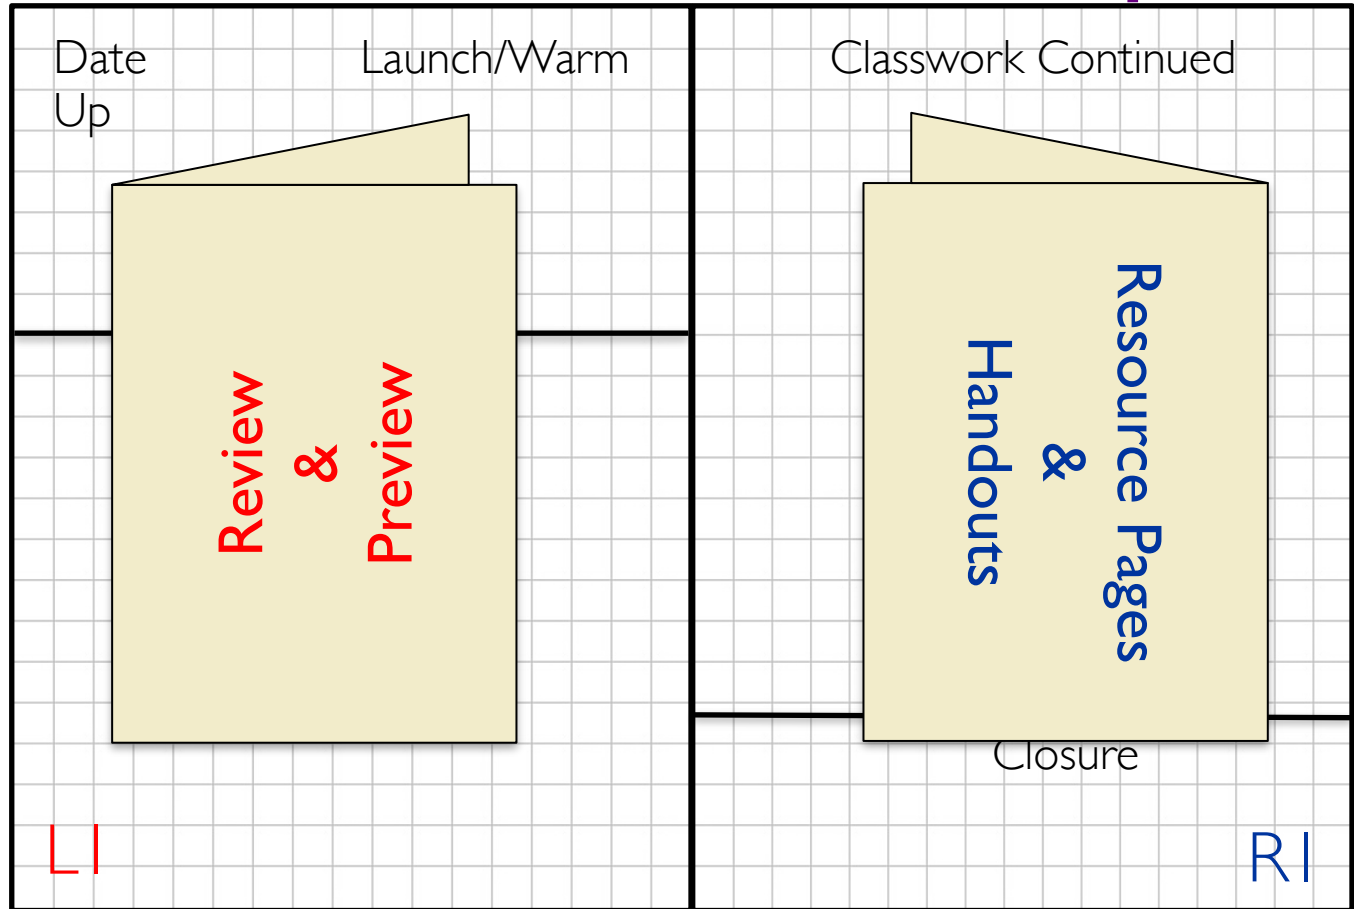

# Interactive Notebook Setup

- Wrap the piece of paper around the ToC page and staple it.
- *This is your tab for finding the beginning of each chapter.*

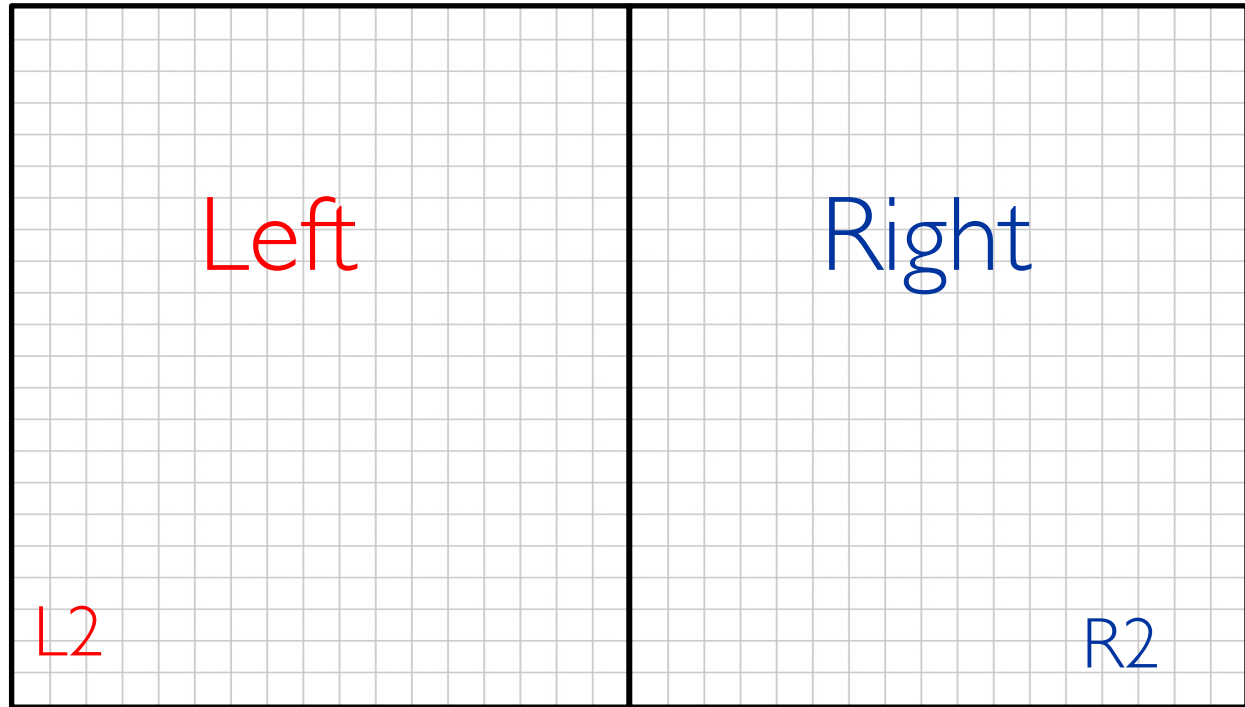

# Interactive Notebook Setup

This will be the general setup of your notebook for each lesson.

# Interactive Notebook Setup

- Notebooks stay in the classroom.
- You will only use tape in your notebooks.
- Keep your notebook updated and organized. This will be your main resource.
- If you run out of space for the day's lesson, DO NOT go on to the next page. Continue on a separate sheet of paper and tape it in.
