<b>Instructional Modules (On-Demand)</b>	<input type="checkbox"/> Before You Start <i>Inspiring Connections</i>	<input type="checkbox"/> Once You've Started <i>Inspiring Connections</i>	

#### Additional Support (optional)

- Inclusion Modules*: If you support special education or intervention, these modules may be completed in place of the Instructional Modules. (On-Demand)
- Public Relations Module* (On-Demand)
- Teacher Toolkit—Collaboration, Pacing, and Routines* (On-Demand)
- Reading Strategies for the Math Classroom* (Live Learning)
- \*\*Algebra Tiles—MS Solving Equations** (Live Learning)
- \*\*Content Sessions—Prelude and Chapter 1** (Live Learning)

**Live Learning Events** are hosted at an in-person site or virtually. In these events, participants experience interactive, hands-on learning.

**Content Modules** provide a deeper understanding of the math in each chapter, insider information, and success tips for each lesson.

**Instructional Modules** allow participants the opportunity to reflect on instructional practices and strategies that support implementation.

**\*\* Required** for virtual learning sessions 1–8 participants.
